Denver, CO

At Tamayo, Chef Richard Sandoval offers his signature blend of authentic Mexican ingredients and innovative culinary techniques. Handcrafted margaritas and a selection of over 100 tequilas pair beautifully with the flavorful dishes. Savor Tamayo's acclaimed cuisine on the outdoor terrace with sweeping views of the Rocky Mountains. In the main and private dining rooms, handmade Mexican artwork completes Tamayo's dining experience.

For your next event, customize a menu of Chef Richard Sandoval's modern Mexican cuisine, or choose one of our special party menus. Beverage packages featuring fresh margaritas and fine tequilas will round out your offerings.

Please contact our Special Events Manager to start planning your private party. Saludos!
